

03UR970 (Def #4)

5-31-11

TO: The Honorable Sterling Johnson

Since my last appearance in your Court Judge, my Counsel cannot get me an appearance in front of a magistrate due to the lack of response and consideration of the U.S.A.D.A.

They will not return his calls to set up an appointment.

Time is of the essence Judge. I have everything riding on this Bail Hearing, my Job, my Business, and my Apartment.

I have worked hard and have struggled to do all that is right.

Please get me in front of a magistrate, or in front of your honor to see my Bail Package and if it's acceptable to you.

Judge I have no Bail in the State case - I was Released on my own Recognizance.

Thank You -

Respectfully Yours
